The ADVENTURES of HAWKMAN

BUCKEYE UNION HIGH SCHOOL
FACE IT FRIEND! this issue's GOT EVERYTHING...
H
...including the terrible DR. NO-KNOW who doesn't believe in education.....

This is the story of the Adventures of Hawkman, the mascot of Buckeye Union High School, Buckeye, Arizona who during the school year of 1976-77 was called upon by the students, faculty, and community to save them from a terrible evil fiend, Dr. No-Know. At the start of the school year, Dr. No-Know made his presence known by tricking the student body into believing that Elton John was giving them a concert in the gym. Once in the gym the students were mezmerized into believing that education was unnecessary. He further continued his conquest of BUHS by disguising himself as the Hawks Haven director and setting up Dumbkins as the special of the day. The students eager for a change of munchies readily snarfed them up. The Dumbkins made them immune to any kind of educational instruction. It was then that Klever Kieffer, who didn't fall prey to Dr. No-Know's scheme, because he brought his lunch to school, looks inside his classring for Hawkmans unlisted number and calls him to come and save the day. Continue with us as we relate the 1976-77 school year and the Adventures of Hawkman!

HAWKS SMASH AJO 43-12
The Hawks opened the 1976 Football Season with power to spare as they routed Ajo 43-12. Yogi Brown scored three touchdowns. The offensive and defensive line worked well and by halftime the Hawks had a 34-0 lead. There were few penalties and the new helmet rule was called only once. The Hawks had it altogether in the opener.

HAWKS SMASH BISBEE 50-8
On this game's kickoff to Buckeye, Yogi Brown ran the ball from his eight all the way to score. Before halftime Buckeye scored twice more to make it 22-8. Another touchdown in the third quarter and it was 29-8. Three more TD's in the final quarter and the Hawks wrapped up a 50-8 victory as they crushed Bisbee with a powerful show of both offense and defense. Tim Villa did his share by successfully kicking the extra point six straight times during the evening.

TOROS KNIFE HAWKS 20-14
In spite of the loss, this was one of the best played games this year. The Hawks got off and the Toros promptly fumbled on their own 36 yard line. Rusty Cox got the loose ball. Three plays later, the Hawks led 7-0 with less than three minutes gone. During the third quarter, Eric Kennedy fired a pass up the middle and he scored. Villa's kick was good. It was 14-0. Two first downs later, the Toros scored, tried a running two-pointer which failed, and trailed 14-6. Toros scored again and tried another two-point conversion which failed. It was 14-12. After another score Mountain View led 20-14 and that was the ball game.

HAWKS HAMMER HAVASU 21-3

At the start of the second quarter Havasu successfully tried a long field goal. The Knights led 3-0. Havasu began to move, but Tim Villa intercepted a pass of on his own 35 to stop the drive. Eric Kennedy got good protection and shot a long pass which was hauled the rest of the way for a touchdown. The Hawks led 7-3. Then Freeman Herring got going and lugged the ball seven times on the drive and carried the ball six times in a row. He scored and so Buckeye led 14-3. Buckeye scored again and the game ended Buckeye 21, Lake Havasu 3.

TIGERS ZIP HAWKS 28-0

The Hawks looked as if they could hold their own against the Tigers as the game opened. But Gilbert scored, and it was 7-0 with less than five minutes gone in the game. Gilbert went on to fumble the ball back to Buckeye as Bill Gromback recovered, but our offense failed to get going again. During the second quarter Gilbert scored again and made the score 14-0. Curtis Mason managed to intercept a pass but a 15-yard penalty against Buckeye gave Gilbert another first down. The Tigers made another touchdown and it was 21-0 at the half. In the fourth quarter a penalty against the Hawks put the Tigers in a good position to score which they did. It was then 28-0. John Palumbo intercepted a Gilbert pass but time ran out and the game ended Gilbert 28, Buckeye 0.

BABBLED PASS GIVES HAWKS 14-7

This was a defensive game throughout the first half. Buckeye nearly scored but a pai of penalties against the Hawks stopped the threat. During the third quarter Gerard got possession of the ball and scored. The Red Coats led 7-0. Fourth quarter began and after a sweep to the left side the Hawks were on the board. The kick was good so the game was tied 7-7. As time ran out Buckeye squeezed five plays into 25 seconds before Kennedy fired to Palumbo and Finchum grabbed the batted ball and scored. Hawks won their Homecoming game 14-7.

HAWKS SPEAR DEMONS 25-24

Yogi Brown ran a punt return for 60 yards and a touchdown in the first quarter and the score was 7-0. Then Dysart got going and scored. The Hawks led 7-6 as the Dysart kicked off. Yogi took the kick and went all the way to score. The score was 13-6. As the second quarter opened Dysart gained yardage to score. Buckeye still led 13-12. Demons soon scored again to take an 18-13 lead. Hawks fumbled but the Demons fumbled it back and Sylvester jumped on the loose ball. The Hawks soon scored and led 19-18 at the half. The Hawks soon raised and scored to 25-18. Then the Demons scored once more. Smith and the rest of the line held and Buckeye claimed its fifth victory against two losses.

HAWKS WIN PENALTY-FILLED GAME 15-14

Buckeye took this game's opening kick-off to a quick touchdown. It was 7-0. Tolleson got to the Buckeye 45 following the kickoff, but an attempted pass was blocked and the flipping ball fell into the arms of Hawks Spurlock. Then Mason went up the middle to score and another good Villa kick made it 14-zip. Next Tolleson shot a pass to their man in the end zone for six points making the score 14-6. Tolleson soon scored again and tied up the score 14-14. In overtime, Buckeye gained more yardage and won the game 15-14. Had it not been for penalties, Buckeye might have won the game by a big score.

HAWKS SPLASH PAST BOURGADE 21-13

It was a cold, windy, rain-filled night as Buckeye fans watched their Hawks defeat Bourgade in the last football game of the season. Buckeye soon went in for a touch-down and the score was 7-0. After the kickoff, the eagles tried to go for a first down but Mark Miller, Craig Smith, Rusty Cox and company stopped them short. Hawks regained their command and Yogi Brown soon went into the end-zone to score. At the half the Hawks led 14-0. A few plays later Bourgade scored making it 14-7. Fortune smiled on the Hawks as Eric Kennedy shot a pass to Russel Henry for the third touchdown. Time Villa's kick was good and it was 21-7. Bourgade scored once more but the Hawks still won 21-13.

GIRLS BASKETBALL

History was made at Buckeye Union High School this year with the formation of the first interscholastic Girls Basketball Team. Under the direction of Head Coach Kathy Bedard and Assistant Coach Jim Schneider, 21 girls completed a 10 game varsity schedule and an eight game junior varsity schedule in regular season play.

The girls found the early going extremely frustrating as we were out-experienced on the court. Being the newest team in the division, our nine losses came not from a lack of ability or hustle, but primarily from a lack of playing time.

One of our most exciting moments came on January 17 when we defeated Bourgade 42-41. Winning the first interscholastic girls game to be played on our home court gave the girls a sense of pride which we carried with us throughout the season. Another memorable game for the girls was our first meeting with Gilbert. In going down to a 42-27 defeat, our girls played a brand of ball which proved that better days were not far off. The Hawk girls left the Gilbert court with heads held high, knowing we had played extremely good ball against a much more experienced ball club. We found a greater sense of pride in our defeat than Gilbert did in their victory.

The "thrill of victory" after suffering too many "agonies of defeat" came again in our 43-42 overtime win over Bourgade in the first round of the AA Central Divisional Tournament. This cliff-hanger entitled the Hawks to meet the division winner, Lake Havasu, in the second round of tournament action. Meeting the exceptional Havasu team on their home court, the Hawk girls closed their fledgling season in a respectable 55-26 loss. But again we did not leave the court with heads hanging. All who cheered a young ball club at Ajo on January 10 cheered a much more mature ball club at Lake Havasu on February 18. With continued improvement, one year of experience, and six returning Hawk lettermen, we look forward to a successful season next year.

WRESTLING

The B.U.H.S. Wrestling Team finished the season with a 7-1-0 Dual Meet Record. The only loss came at the hands of the "Class "AA" Central Division Champions, Gilbert. In tournament competition, the team placed 1st at the Buckeye Invitational and 3rd at the Bourgade Invitational, 4th at the Coolidge Invitational and 3rd in the Class "AA" Central Division. In addition to some fine wrestling, the Hawk were presented with the Sportmanship Trophy at the Coolidge Invitational Tournament.

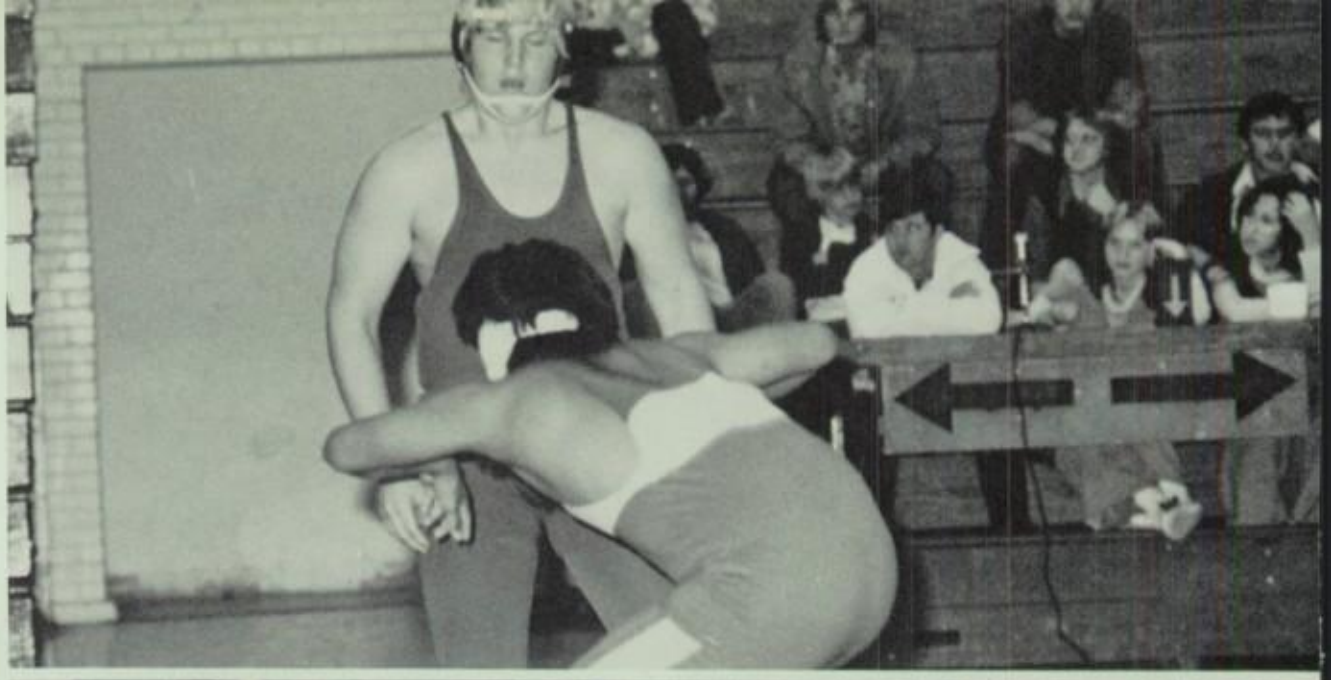
There were 36 wrestlers on the team at the end of the season. Ninteen of these received certificates and seventeen received Varsity Letters.

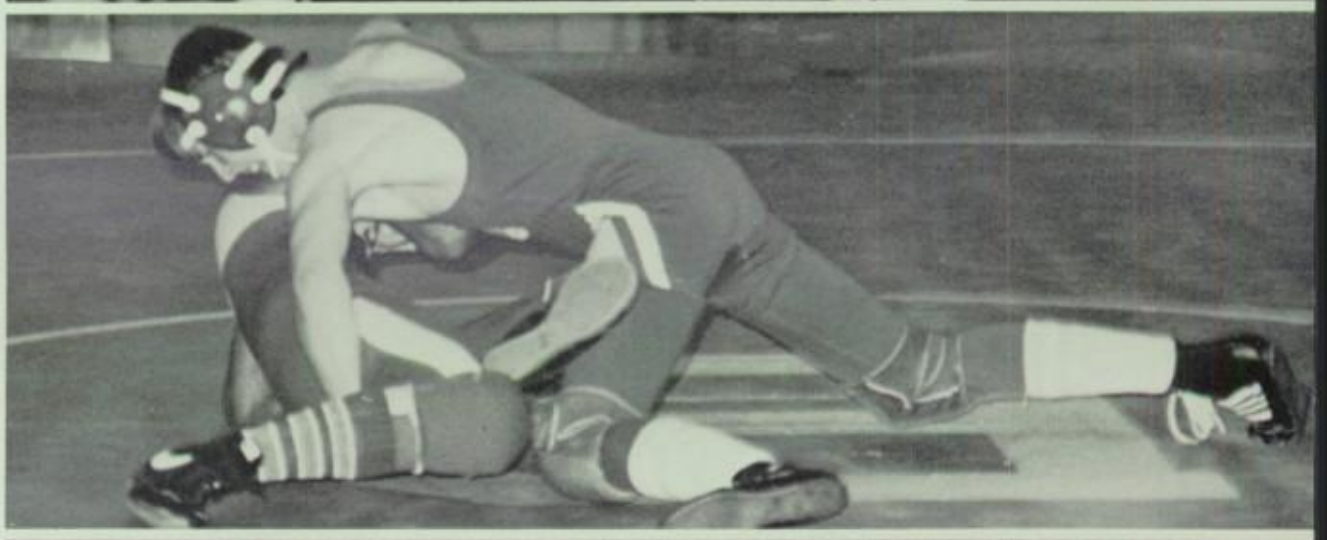
The Hawks efforts were led by five seniors this year. They were: Curtis Mason, Mark Miller, Joe Cooper, Robert Wood and Reuben Wood.

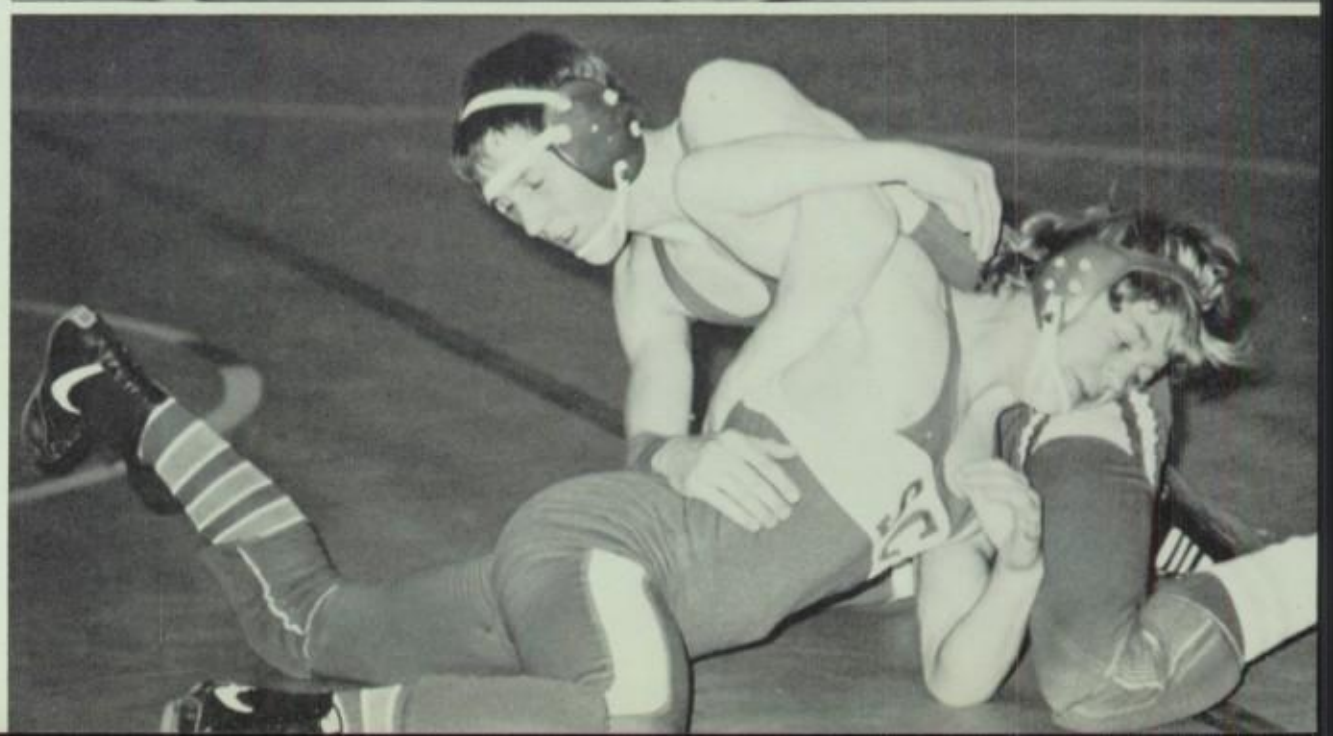
Mason was one of three team captains this year. He was a hard worker and a good team leader. He was bothered by an injury most of the season which kept him from reaching his potential. He finished the season with a 10-6-0 individual record.

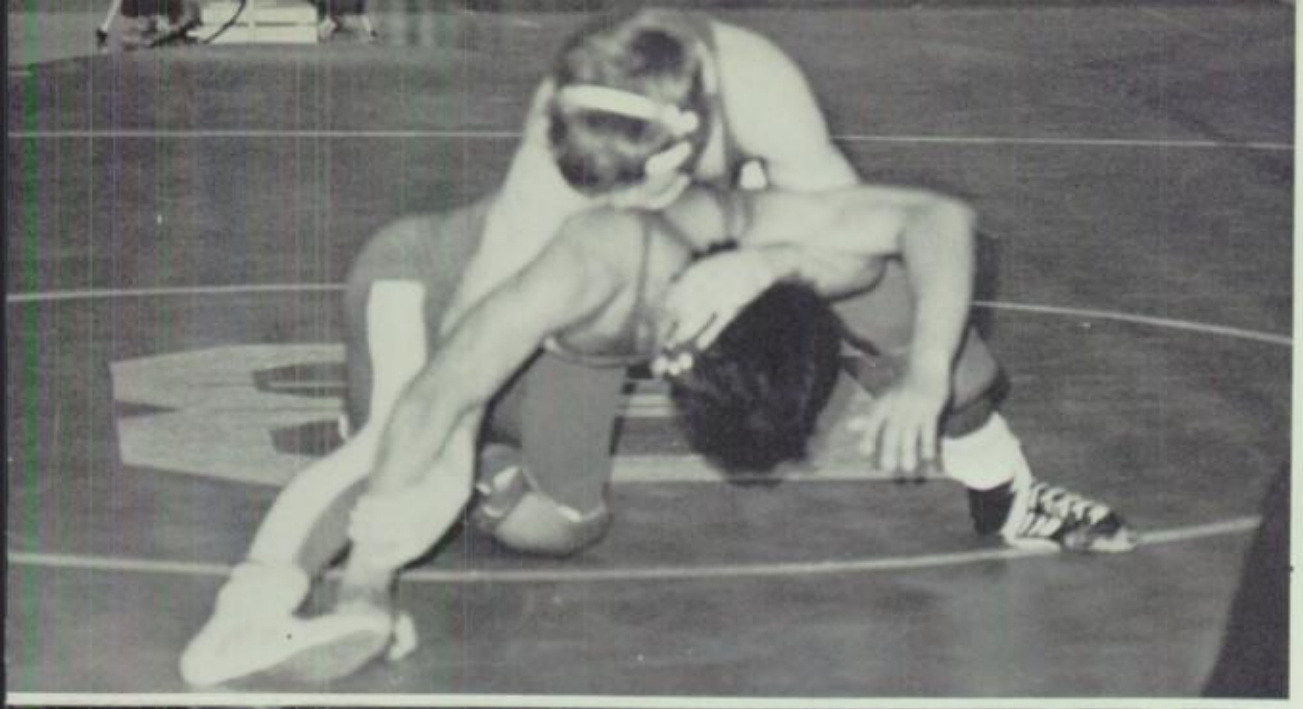
Mark Miller has been one of the best heavy weight wrestlers in the school's history. He, too, has shown good team leadership all season. Mark finished the season with a 19-6-6 individual record. Thirteen of his wins were by falls. He placed 2nd in the Class "AA" central Division.

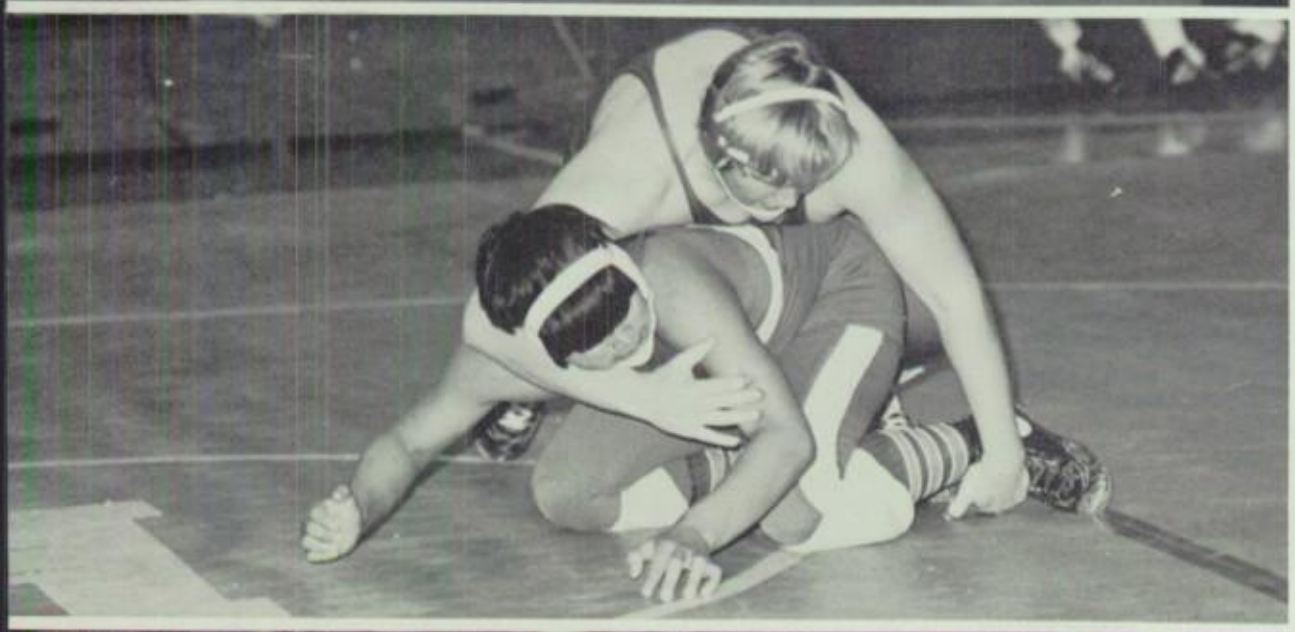
Joe Cooper, another one of the team captains, was a good team leader all season. He competed in the 112 wt. Class and was one of the toughest small men to ever wrestle for Buckeye Union H.S. He finished the season with a good 17-7-2 individual record. Among his outstanding achievements this season was a 3-3 tie with, and a 6-5 win over State Champion, Wayne Fox of Gilbert. Joe also took 2nd place in the Class "AA" Central Division.

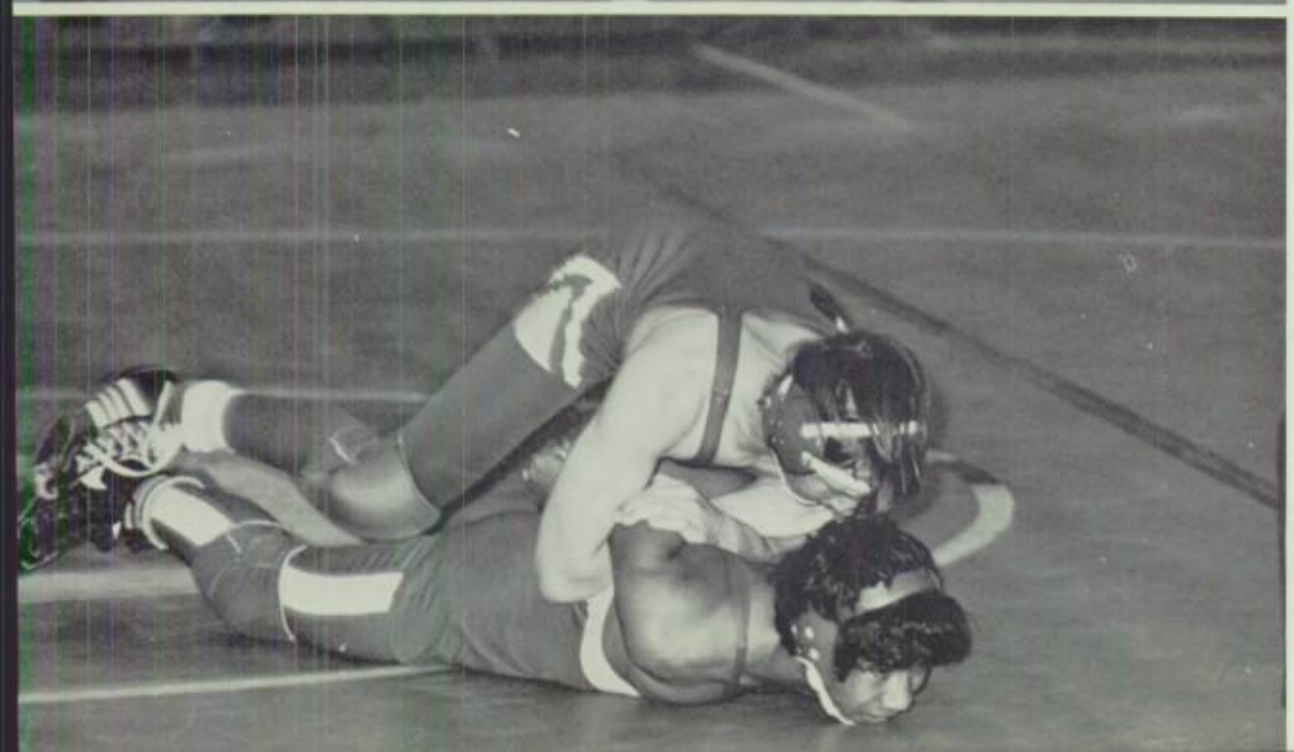












Robert Wood Performed his team leadership mostly by example. He compiled a 25-6-0 individual season record. Fifteen of his wins came by falls. Robert also won the Class "AA" Central Division Championship in the 132 wt. Class. He was presented with the school's "Most Improved Wrestler" award.

The top team leader this year was Reuben Wood. He has lettered all four years in high school and was chosen as the school's "Outstanding Wrestler" for 1977. Coach Benson says, "I would have to rank him (Reuben) right up at the top. He is one of the best wrestlers I have ever coached. We have had some great wrestlers over the years here at Buckeye, guys like Dave Mcginty, Frank Drew, John Masengale, Gary Benson and Mike Richline. I rank Reuben Wood right up there with these, he is good." Reuben finished the season with a 24-3-0 individual record. Seventeen of his wins came by falls. This sets a new school record for falls in one season. He also set a new school record for the most falls in a career. In four years Reuben compiled a 65-22-0 individual record. Thirty-nine of these wins came by falls. His 65 career wins almost set a new record. He moved ahead of Gary Benson who had 63 wins and is now just behind Frank Drew who has the all-time school career record with 68 wins. Reuben won the Class "AA" Central Division Championship and placed 3rd in Class "AA" State.

The Hawks will lose 9 wrestlers to graduation this year. However, five veterans will form a nucleus for a new team. The biggest plus for next year is a top notch J.V. team that went undefeated this year.
